

Overdale C.P Primary School

End Of Year 2022– Newsletter 11 ‘Respect, Responsibility, Resilience’

Term 3.3

Well done everybody! What a year we have had!

So many challenges but so many more achievements. The impact of the virus has continued to be a disruption but we are proud that we have been able to remain open every day despite staffing variations.

We have also enjoyed the return of many events to school life: Performances, Sports days, Parents consultations and the Grand Opening to name only a few.

We very much look forward to next year when we will be incorporating more events and the building makes further progress towards completion (which is now very close) and the access paths are completed, just a second border fence to go!

Parent Views

Thank you to everyone who completed the online Parent questionnaire. We were pleased with the results and send a BIG thank you to the 68 parents who completed the survey.

We are thrilled that parents report that children are happy, feel safe and well educated at our school – THANK YOU for this compliment.

We will aim to communicate in a more timely way whenever it is possible to do so and we will use Class Dojo’s as a main platform for communication as requested by over 90% of parents.

Speech and Language support

We have a grant in school to enable us to support Speech and language PRIVATE tuition class in August, this would usually cost approx. £100 for 5 one hour sessions across a week. Please contact the school office if you would like a place on the course, we are open on Monday to manage this request.

office@overdale.n-yorks.sch.uk

Diary Dates

INSET DAYS

Mon 25th July

School Year Ends

Fri 22nd July 3pm
Y6, Y5 and Y4 will leave from the front entrance of school.

School Re-opens

Monday 5th September

October half term

Thursday 20th
October school closes.
School opens on
Monday 31st October

Sports Day

It was great to be able to have this day and invite parents onto the school site. The children and staff enjoyed the event.

Going forward we will be setting up differently. To ensure the safety of everyone on the day, it is important that spectators remain in the viewing area and do not cross the track to go to children. Adults that did this made the event unsafe and difficult for those children who do not have an adult present at the event.

The winning team were the **EMERALDS** – Well Done Emeralds, the team trip will be in September.

Holidays in term time

We will not be able to authorise holidays moved to the school year 2022 / 2023 due to covid. When a child is absent due to covid this will now be a part of their overall school absence. When you take a holiday in term time please ensure that you complete a holiday form so that we know your child is safe and we do not need to make a home visit to check this.

Attendance

Our attendance to date is **92.58%** and we look forward to improving this in the new school year. The Government is targeting school attendance for improvement alongside the drive for improved standards. Children cannot learn when they are not in school and their mental health also suffers as their peers move on and they are playing catch-up. The new attendance management is more rigorous and has more serious consequences for families.

Breakfast club

This is now a popular provision and numbers vary daily which makes staff a challenge. **Please ensure you book your child's place through the school office email by Friday at 2pm of the previous week, so that we staff the provision safely.** In September we can only accept children into the provision who are booked into the provision.

Advanced notice

Breakfast club will be closed on the last day of term, Friday 2nd October 2022. Apologies for any inconvenience caused.

After school provision

We are extending our Wrap Around Care (WAC club) in September due to parent demand. The sessions will now be 3pm to 5.30pm and the cost will **£25 for 4 days Mon to Thu or £7 for a single session.** The sessions need to be booked one week in advance so that we can staff the sessions in line with guidance. The class will not have more than 15 children in, with 2 staff responsible for the provision.

Time to say Goodbye

We say goodbye to Mrs Marshall on Friday, as she moves onto a new career pathway, we wish her well with this journey, but look forward to seeing her back in school as she will return to us for supply cover.

We will also be say goodbye to Mr Watson as he moves on to be a Headteacher at Skelton Primary School, and we know he will be a great Headteacher and we wish him success in his new role.

Miss Campbell is also moving into a new role as an ATA at Seamer and Irton School to support the children there.

Reports to parents

Written reports to parents on children's progress across the year went out on Wednesday 20th July, addition reports were also posted on the same day. Please e-mail office@overdale.n-yorks.sch.uk to confirm receipt and with also any comments you may have.

Transition to new classes.

All children had the opportunity to visit their new class for September for a two very warm days this week and the staff and children had a very positive experience. Many smiling faces were seen and many worries taken away.

Website

Our NEW website is open! Please visit it regularly as it has lots of up to date information about the school and all the Newsletters that have been sent out since Sept 2021. A welcome back Newsletter will be posted on Friday 2nd September with all the information about the New school year.
